The Dorchester Hotel

The Dorchester Hotel, situated in the heart of London, offers an inviting atmosphere and outstanding services for leisure, business, and weddings.

The hotel is just a short walk from Buckingham Palace and not far from stylish boutiques of Oxford Street and the West End theatres. While many sights are within walking distance, the tube is close by to take you across London. You can also find taxis and buses near the hotel. The hotel's multilingual staff will be pleased to provide information and advice on how to get around the city and how to spend your free time.

After spending a day shopping and sightseeing in London, you can relax in your room. The hotel offers 325 guest rooms, from comfortable Standard Rooms to luxurious King Suites. All standard rooms feature elegant furnishings in classical style, free high-speed Wi-Fi Internet access, fully-stocked mini-bars, queen-size beds, air-conditioning. There are four Honeymoon Rooms with exquisite decor, king-size beds, jakuzzis, as well as fantastic views and fresh flowers.

Guests are recommended to find time to enjoy the leisure facilities of the hotel. Visit the fully equipped gym, which includes a sauna and steam room, play a game of tennis at the outdoor court or dine in style in the award-winning restaurant where you can taste gourmet cuisine and original cocktails. The restaurant also has extensive children's and wedding menus. The hotel offers 3 convenient formats for breakfast: room service; Continental breakfast with fresh croissants, pastries and beverages; and the Breakfast Buffet with a delicious choice of hot and cold breakfast dishes.

Having one of the largest ballrooms in central London, the Dorchester Hotel can host up to 500 guests and is an ideal wedding place. Happy couples can take advantage of wedding coordination. For business travelers there is a 24-hour business center that provides IT and secretarial services. There are also four large conference rooms each able to accommodate 100 people. The hotel provides technical support to troubleshoot any problems.
